

AAC

American Aerospace Controls, Inc.
High-Reliability Current & Voltage Sensors

Bidirectional Current Transducer **Series S651**

1.38" Input Thru-Hole

Vibration • Shock • Altitude
Acceleration • Humidity
MIL-STD-810

Durable Powder Coat Finish
Available in Reverse Current Direction

Bidirectional Current Detection
Power System & Current Direction Monitoring

EEE Components: Derating AS-4613 • MIL-M-38510 Class B
MIL-S-19500 (JANTX) • MIL-C-39003/ MIL-C-39014 (Level R)
MIL-R-39007 , -39008, -39035, -55182 (Level R)
